Section 2
 A \$15 fee applies for each academic Science class lab fee and Academic English class scheduled for your student. You will be notified on or before your August On-Site visit, what (if any) Academic Science lab and/or Academic English fees are due.

Section 3 : Includes Items you (parent/guardian) are responsible for purchasing:

In order for a student to have access to DACC Skills USA funds to pay for National Competition costs, food, hotel stay, and transportation, she/he must pay \$100.00 towards the cost of the trip. Students must also participate in a Fall and Spring Fundraiser, as well as a community service project, usually with Special Olympics. These trips on average cost over \$1,000.00. If SkillsUSA has a shortfall in trip costs and what is owed, students may need to participate in an extra fundraiser to cover costs.

Senior Year Engineering students are required to wear a polo shirt, khakis pants, and steel/composite toed leather shoe/boot to class each day. Students can not work in the lab without the proper clothes.

A minimum of 2 Polo Shirts (\$25.00 each) must be purchased to wear during class and on job shadows. Students must order these from the DACC Engineering shop on the Cintas Website below.

<http://www6.cintasvip.com/uniformcatalog/default.asp?p=INETDACC>

This link and instructions for purchasing through the cintas will be emailed to each parent and student.

Any of the shirt options on the Cintas DACC Engineering shop are appropriate to wear in class.

Students don't have to buy a jacket from the website but these options are available.

Students must wear khaki pants during class and on job shadows. These can be purchased anywhere.

Students must have a steel toed/composite Leather Boot/Shoe to wear during class. These can be purchased anywhere.

School Policy requires all fees must be paid in full or an active payment plan established on or before the first day of school.
